

Annual Preventive Maintenance

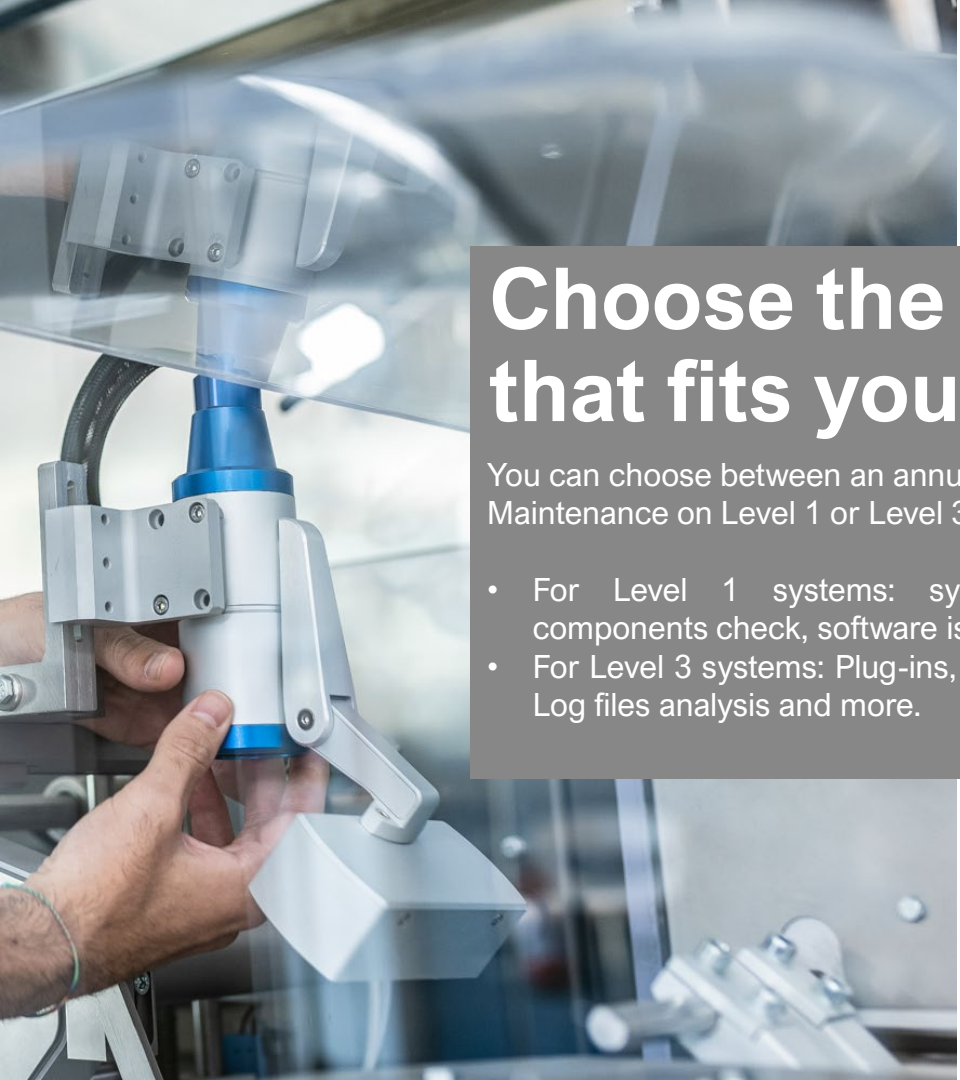

Annual Preventive Maintenance

This service aims to offer you the best consultancy support to increase the lifecycle of your SEA vision software, and consists in an expert SEA Vision technician visit at your site to check the systems status.

Choose the service that fits your need

You can choose between an annual Preventive Maintenance on Level 1 or Level 3 systems.

- For Level 1 systems: system's hardware components check, software issues and more.
- For Level 3 systems: Plug-ins, External Services Log files analysis and more.

Activate the service for free:

customercare@seavision-group.com

If you have a Premium Plan, one annual visit is included for free. Contact us to book your visit: customercare@seavision.it

Do you have a
